

FOOTPRINTS IN THE SAND

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the Lord. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life. This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why when I needed you most you would leave me." The Lord replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints in the sand it was then that I carried you."

Compass

The yearbook ... we all look forward to what holds special memories of our past year that we'll look back on in years to come. What would it be like without it? If you can imagine, you know why the Compass Staff has such an important job. Being on the staff is a lot of work from beginning to end. There are endless hours at school & home, and much of your time is taken for deadlines and page layouts. We all have jobs to do and must work together, taking time for all articles, photos, and plans. It takes a lot of responsibility and dedication to make a terrific book for everyone. We hope our hard work shows through in the 87-88 Compass and everyone finds something that brings back that special time and memory.

Sharing Is Caring For A Friend.

The members of Friends are here to listen and talk about any type of problem you may have. These students have been specially trained to listen and help you with what is troubling you, and when you talk to a Friend, everything you say is kept confidential. Friends care about you.

The caring members of this club help people who are in need by raising money to help stop starvation around the world and spreading God's Word in many ways. One of these is the Christian clowning program, "After Laughter", a fun and easy way to tell the news of Christ. This is done because God cares for us, so we care for others.

Walking Together In Life.

OASIS. Not many know much about OASIS and what it means. OASIS stands for Organization Against Suicide Involving Saints. As Jesus is always with us-even though we can't see him, so the OASIS arms are there to surround you with the love of Jesus even though we are low profile. This group cares very much for fellow neighbors and friends. Even when you feel depressed or when life seems to have no meaning or purpose for you, they are there to help. Suicide is not the answer. OASIS is. We are always looking for more people who keep their eyes and arms open to those who need this specialized love. They help you to overcome your difficulties, and look to a better future. If you want to be part of the OASIS "Network" contact the Guidance Office for Pastor Fischer, Miss Bruschaber, or Mr. J. Nelson.

This. year's band is made up of many talented people who spend hours practicing to bring us musical enjoyment. Wisco will be hosting the WSMA (Wisconsin Scholastic Music Association) contest this year. It is a great privilege because it can be held here about only once every 15 years.

We would like to acknowledge those who work with the band. Mr. Treuden is the band director. Rich Mannisto and Jenny Hanson are the drum majors, and Scott Reinke works with the percussion section.

Along with the band there is the colorguard. The colorguard proudly presents the flag at certain school functions. They march along with the band to add excitement and motion to the performances. Without them it could become a bit boring. The advisor for colorguard is Mrs. Sherry Kunde. As you can see by their performance she does good choreographing their routines.

The 87-88 Poms squad went through many changes this year. Members and new coach Nancy Dallmann weren't chosen until fall, so the squad began performing with basketball. With much determination, the girls challenged their late start and worked even harder. The Vikettes gave their all to entertain and please the crowds. They are advised by Gail Brushaber.

This year's squad included 8 seniors, 5 juniors, 1 sophomore and 3 freshmen. Co-captains were Beth Barber and Janna Blauert. From left: H. Boese, B. Barber, B. Hahn, D. Dowling, K. Jessie, W. This year's Girls Varsity had a good season. Mary Murphy and Sherry Metz were the leading scorers. Sherry holds the record as the all-time leading scorer and the first female Viking to score over 1000 points.

"The girl's are doing a job at making '87-'88 a successful season", says their coach, Robert Leh-

ninger.

The Junior Varsity girls, coached by Mike Sebald, did a good job this year even though their record did not show it. With all the hard work they put in this year, they should be well prepared for the Varsity team, next year.

The Freshmen girls team average was close to even the whole season. "They are making good progress and will be ready for the JV team next year" says their coach, Jason Nelson.

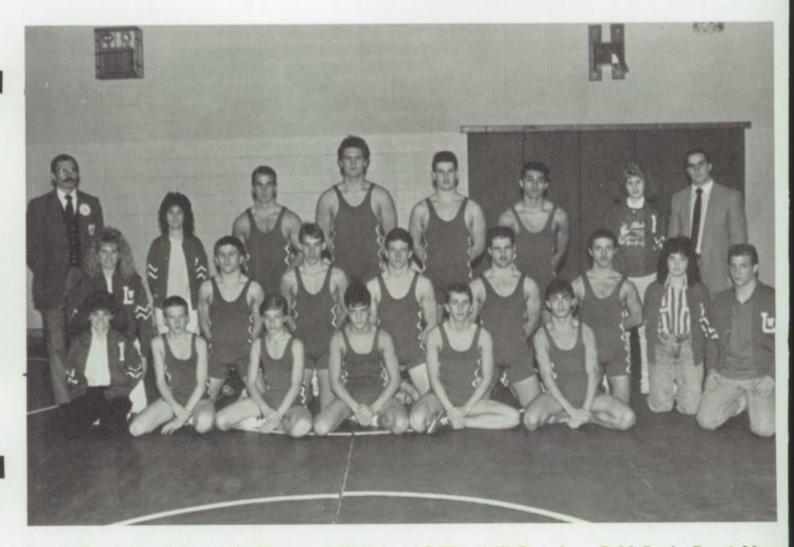

Wrestling

The Varsity's strong Wrestlers gave them some great victories this year. Although the conference record was 1-6, the Vikings gave some strong performances for the championship at Northwestern Invitational, 2nd at their Invitational and 4th at the Oak Creek Invitational. They also placed 5th in the Little Ten Meet. Peter Strobusch, Rob Vaccarella, Kevin Eismann and Andy Adrian gave the Varsity a strong victory.

A special congratulations to Seniors Kevin Eismann and Andy Adrian who had undefeated records at the end of the season. Kevin was also nominated to represent Wisconsin in a meet against Minnesota. Way to go guys!

This year's Junior Varsity team came through the season well with a conference record of 2-5 and many great matches for Pat McCarthy, Ron Zastrow, Andy Kelm and Ted Bottoni. The Junior Varsity won 3rd at their Wisco Invitational, and placed 6 wrestlers at the West Bend Invitational. We've got some excellent wrestlers ready for the years to come as Varsity.

For a brand new team, the Freshmen really showed their talent. With a conference record of 3-5, the Freshman also got 5th at their Invitational, and placed 8 wrestlers at the Watertown Invitational. Keith Eismann was advanced to Varsity, Jerry Goldsmith and Chris Plautz led the team with impressive records. Again, there is a powerful team for the future.

Football Tackles A Tough Season

Even though the Viking Football team was not always winning on the scoreboard, the Vikings showed themselves to be winners in many other ways. They worked hard, worked together, supported each other and relied on their Lord for His help. Their character showed especially in the last two games where they took West Bend East to double overtime and defeated Madison Edgewood in the last game.

Although the Varsity ended the season with a conference record of 4-10, coach Karen Sitz believes it was definitely a positive year. With three Seniors, eight Juniors and a Freshman, the young team managed to capture their Region VI championship, thus earning a chance to go to the State Tournament. Senior Jill Schroeder, Junior Kim Rosenberg, and Freshman Jenny Maramonte received All-Conference honors. The team was lead by Senior captains, Jill Schroeder, Brenda Sellhorn, and Lynn Hulman. The 87-88 Varsity volleyball season is one to remember.

Under Coach Carla Dallman, the JV team took second place in conference with a record of 9-2. The girls remained undefeated until the last three games of the season. They also received first place in the Lutheran Tournament here at Wisco. Captains Jenny Wilson and Laura Adamczyk led this talented team to their successful season. All these girls really have something to be proud of.

The girl's Varsity tennis team had an uphill battle this year. But the players, mainly Sophomores, gained a lot of experience.

Linda Garbe (1st singles) was elected to 2nd team All-Conference, and Tammy Tietyen (2nd singles) succeeded in reaching the WISAA-Region 3 semi-finals. By next year our young team should have had enough experience to be in a very competitive position.

Jenny Hanson follows through on her shot.

Deeann Gehl demonstates the follow through position.

This year's young Junior Varsity tennis squad consisted of five Freshmen and three Sophomores.

The backbone players of the team were 1st doubles pair, Amy Baas and Heidi Stoecker, and singles player Jenny Lang. With more practice and more experience, we will have a stronger team next year.

C.C. Takes Conference . . . Again

This year's boy's Varsity Cross Country had an excellent year, capturing the Little Ten Conference Title for the fourth year in a row. This is the first time in Wisco's history that a team has taken conference four consecutive times. This year's All-Conference selections were 1st team, Senior Brian Rice and Junior Craig Rice and 2nd team, sophomore Matt Hammel. They were coached by Mr. Paul Nelson. Congratulations team!

COURT TIME

Homecoming 1987's theme was Hollywood, California. The halls were filled with students and faculty showing their school spirit by dressing up for days like Beverly Hills day, Disney day, and Red, White, & Blue day. The night activities were just as fun; the seniors won the Powder Puff game and Ryan Brueckner was crowned Mr. Wisco. This year's court was Queen Stef Erickson with King Steve Brester, Princess Dawn Kufahl with Prince Gil Kelley, and Princess Mary Murphy with Prince Matt Wenzel. Although we lost to Oconomowoc, everyone had a great time.

ADMINISTRATION

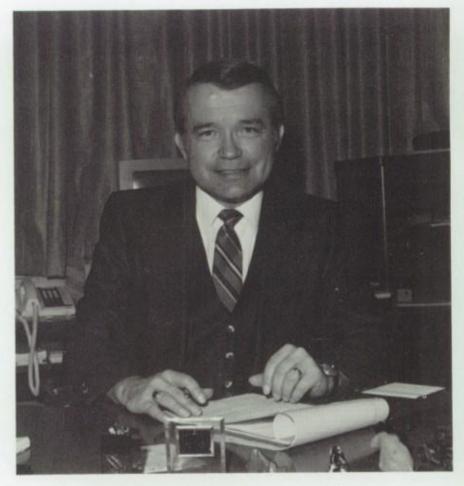

Superintendent

Our lives are a walk with God. He has in a wonderous way made sure we would not walk separated and alone. This is clearly evidenced on the pages of this book.

There is a well known poem entitled "Footsteps in the Sand." It speaks of the hard times in life. It speaks of times of feeling left and deserted. It speaks of walking with God. It speaks of a God who seems to disappear yet in retrospect has carried. You have been privileged to walk together with your God for another year . . . to walk together with people who love as He has loved . . . to walk together through hard times, boring times, great times, learning times, growing times.

The Lord has reached down into your life and carried you. As you look through this Compass recognize in this record, a record of His sustaining hands at work. As He has surrounded you with His love, so may your love surround others. As He used friends, teachers, and parents as His instruments, so may you be. As He has touched your life, so may you touch others. As He lived His life, so may you live yours until all the world knows they have a loving

Savior.

Renald L. Leins

Principal

We have shared both joys and sorrows. Most importantly, we have shared the love of our Lord Jesus Christ. That love will continue to bind us together and support us in the years ahead as we walk our separate ways.

As we look back over our years together, we see the marks of our journey — like FOOTSTEPS IN THE SAND. Some of those marks will be deep and lasting. Others will soon fade from our memory as they are washed

by the tides of time.

The foundation of Christ's love has made our WALK TOGETHER firm. That foundation will also support you as you walk into the future. As you build your life upon that firm foundation, you will find lasting joy and happiness. Although you may walk in different directions, you will have a life full of deep and lasting FOOTSTEPS IN THE SAND.

Assistant Principals

Mr. Kenneth Luedke

When you hear the name, assistant principal, many thoughts go through your mind. Usually, one of the first is of detentions. That is not the only thing the assistant principals are there for. The assistant principals take care of the day-today activities concerning the students here at Wisconsin Lutheran. They also oversee and organize the extra-curricular activities, and anything else that deals with the students. They keep the school running smoothly and efficiently.

Mr. Paul Nelsen

Guidance Director

The guidance director has a lot of responsibilities. He organizes and helps out with the counseling program each year. He makes sure all information about job and college choices are available to those who want it. He does this by sending out pamphlets, posting information, and arranging it so representatives can speak to those interested. It is a lot of work, but Pastor Fischer does it quite efficiently with the help of Mrs. Rehm and Mrs. Rademan.

As you can see, it is quite a big job. She is the driving force behind each one of us, and we should be honored to have her with us. Thank you Mrs. G.!

Attendance

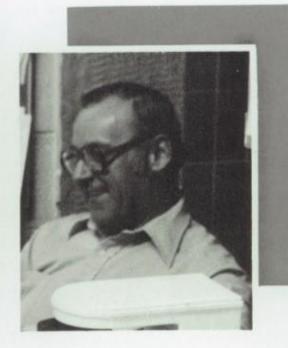

Mrs. Ethel Richter and Mrs. Barb Nygaard are also very important to the Wisco family. They send messages, keep attendance, and fill homeroom envelopes. They also help us when we are not feeling well. Thanks to these ladies and their runners for a successful year.

Dedicated to the memory of Leah Brueckner

On February 8, 1988, Leah R. Brueckner, a 1986 graduate of Wisco, was taken from us in a tragic accident while jogging before classes at the University of Wisconsin-Steven Point where she was a sophomore. She entered into Life Eternal at the age of 19. Leah is survived by her parents, Ronald and Renee, two brothers, Ryan (a 1988 graduate of Wisco) and Armin, other relatives, and countless friends whose lives were touched by the Christian love that Leah so willingly shared.

Leah was a very active, intelligent child of God. She cared for her body by running daily, eating nutritious foods and studying diligently. While at Wisco she consistently made the honor roll and was a member of the National Honor Society in her junior and senior years. As a senior, Leah was also a National Merit Finalist. Shortly before her death she had also become a member of Phi Eta Sigma, an honor society. Her high school extra-curricular activities included cross country, cheerleading, band, Wisco Kids, and musicals. Along with her studying and extra-curricular activities, Leah's ambitious nature led her to also work part-time jobs while in school.

Leah's Christian nature would often find her defending other people as she put the best construction on situations that arose. Leah's unselfish nature would often find her helping fellow students who had difficulty with their homework.

This young servant of the Lord had a drive to succeed in everything she undertook. Perhaps that is why she has received an early reward of a crown of glory in heaven. We don't know --- but we do know that the will of God is always done and is always best for us. May the Lord carry those who mourn the loss of this loved one close to Him in His loving arms. Written by L. Proeber

THE PATHWAY OF LIFE

The pathway of life is unknown to those who walk along it. The trust we have is that the Lord is always there to guide and protect us as we carefully place each step. There are times, when we cannot understand why the Lord has chosen this pathway for us but it is not for us to question His wisdom but to accept His calling for us and to continue to walk even though we may fear what the next step may bring. The Lord is always there to carry us when the burden gets too great for us to bear alone. We are never alone when we walk with the Lord. His strong right hand and broad shoulders will always be there for us as we walk down the pathway of life towards our eternal home with Him in Heaven.
